LUND  
UNIVERSITY

2024 LUND SYMPOSIUM

# On Human Origins

and the **Future of Humanity**

**PROF. ERIK RENSTRÖM**

Vice-Chancellor  
Lund University

Opening Address

Prof Renström is a physician by training and professor of experimental endocrinology. He has a broad experience in public healthcare, academia, and the business sector. He became professor of experimental endocrinology in 2009, dean of the University's Faculty of Medicine in 2018, and vice-chancellor of Lund University in 2021. He has conducted diabetes research in Lund and Gothenburg and spent time as a postdoc in the UK. Erik Renström has also worked as a researcher at the pharmaceutical company Novo Nordisk A/S in Copenhagen in the years 1995–1997.

CELEBRATING THE 50TH ANNIVERSARY  
OF THE DISCOVERY OF LUCY
